Aged for five years in new French oak barrels, this smooth, rich whisky has bold flavours of runny honey, vanilla and apricots.

WATERFORD THE CUVÉE

- Origin : Ireland
- Alcohol % : 50.00
- Pack size : 700ml

With this landmark release, the Waterford team have drawn on their mature stocks of single origin whisky and married them together, balancing the flavours derived from different terroirs to create depth and balance. The result is a characterful dram, oily in texture and slightly spicy with gingerbread and clove alongside fresh apple, marmalade and toasted grains.

WATERFORD BIODYNAMIC LUNA 1.1

- Origin : Ireland
- Alcohol % : 50.00
- Pack size : 700ml

- One for the history books: this is the first single malt ever to be made from biodynamic barley. The approach of farming proposed by Rudolf Steiner treats a piece of land and the crops thereon as a single organism to be kept healthy and harmonious. This ground-breaking dram is remarkably vibrant and expressive, showing white fruit, wildflower honey and citrusy notes of farmhouse ale on the nose. The perfumed notes then gives way to a palate of apple pie, lemon zest and stony minerality.

BALVENIE CARIBBEAN CASK 14 YRS

- Origin : Scotland
- Region : Speyside
- Alcohol % : 43.00
- Pack size : 700ml
- Price : \$122.00
- A terrific single malt from The Balvenie. This Speysider was initially aged in traditional oak casks before it was finished in casks which previously held Caribbean rum, imparting some extra sweetness and warmth to the whisky. In fact, to create it, Balvenie malt master David C. Stewart made his very own blend of West Indian rums, filled it into casks, and then eventually replaced the rum in said casks with Balvenie's whisky! The fabulous result is a well-rounded whisky with notes of toffee, fruit and vanilla.

CAOL ILA 2013 WHISKY.SG EXCLUSIVE SIGNATORY VINTAGE

- Origin : **Scotland**
- Region : **Islay**
- Alcohol % : **58.70**
- Pack size : **700ml**
- Price : **\$140.00**
- Sat just along the coast from Port Askaig, Caol Ila looks out over the Sound of Islay towards Jura. Despite its relative proximity to civilisation, it is relatively hidden, thank to the steep descent down to the distillery from the main road – as Alfred Barnard said of his visit in the 1880s: ‘But the way is so steep, and our nerves none of the best, that we insist upon doing the remainder of the descent on foot, much to the disgust of the driver, who muttered strange words in Gaelic.’ While Caol Ila was founded in 1846, it has changed vastly over its history. By the time Barnard visited the distillery, it had already been completely rebuilt once, and it has been continuously expanded since then. In 1972, all of the buildings except for the warehouses were demolished and the current distillery was built. Now the largest distillery on the island, producing double that of even Laphroaig, Caol Ila’s spirit is a key component of Diageo’s blends.

TALISKER 10 YRS

- Origin : Scotland
- Region : Isle of Skye
- Alcohol % : 45.80
- Pack size : 750ml
- Price : \$57.75
- Talisker is so esteemed a single malt that its name it's not one of those distilleries known only among scotch enthusiasts, but instead is one of a handful that is known to casual whisky drinkers after the big pair of Glenfiddich and Glenlivet. Part of the reason lies in the quality of Talisker's whiskey, but part also stems from Talisker being the only distillery located on the fabled Isle of Skye. What has long set Talisker 10 Year Old apart in my mind is how it balances having big flavors not necessarily against themselves, but against it's complexity. The single malt is easily among the most interesting and pleasurable in its youthful class.

TALISKER 25 YRS

- Origin : Scotland
- Region : Isle of Skye
- Alcohol % : 45.80
- Pack size : 700ml
- Price : \$525.00
- Talisker's excellent 25-year-old whisky continues the reputation for greatness. Carefully balancing the distillery's seaside, salt and pepper character against elegant oak and delicate fruity notes, it's a masterclass in ageing with a delightfully old-fashioned air. This whisky is a marriage of American bourbon barrels, Spanish sherry casks, and Talisker's seaside location. The whiskies in this single malt spend a minimum of 25 years resting in old bourbon and sherry barrels a few short steps from the sea in the Isle of Skye. Talisker's tiny warehouse feels a bit like an old pirate ship that's seen too many sea battles and that aura is imbued into every barrel as it matures.

- Region : Isle of Skye
- Alcohol % : 48.50
- Pack size : 700ml
- Price : \$1150.00
- Talisker 30 YEAR OLD, a rare expression, being re-released in limited quantities after the last bottling in 2017 celebrates the summit of Skye. Not unlike the anticipation of the journey to the top of The Cuillin, where majestic views await, Talisker 30 too provides a rare invitation to only a few to reach the very pinnacle of the range, where true character awaits. An elegant and complex expression with Talisker hallmarks of pepper and smoke in a softer and subtler way. As the land rises, the elements quieten. Smooth smoky clouds swirl and part around peppery peaks. A powerful tranquility reveals the rich beauty of the rugged island. Made By The Sea. From rugged coastlines and beastly storms, to warming sunbeams and soaring skies, the Isle of Skye powers through our veins and invigorates our souls. Unpredictable elements meet untainted beauty to create a spirit as wild as our island, so raw yet so refined.

- Pack size : 700ml
- Price : \$110.00
- Mackmyra Vinterglöd (winter glow) is an elegant Swedish single malt whisky distilled at Mackmyra Bruk. This whisky is inspired by the Swedish winter tradition of drinking mulled wine during the colder months of the year. Vinterglöd carries notes of orange, candied fruit and almond, together with oak and a ginger-like spiciness. The aromatic profile of the whisky comes from its aging in casks that previously held Swedish mulled wine and Pedro Ximénez Sherry. A unique choice for your winter traditions!
